Items We Can Ship With Conditions

Some items are allowed **only if they meet specific conditions**. These include:

- **Perfume, cologne, body mists, aftershave, and body spray**
  Must be **authentic, factory sealed, and unused**. We do not ship counterfeit or questionable products. Perfume shipments are processed **weekly**. We can ship a single bottle or bulk quantities of perfume. There are no extra charges for shipping perfume.
- **Dietary supplements**
  Must be **new, unused, and factory sealed**.
- **Protein powder and workout supplements**
  Must be **factory sealed and unopened**.
- **Glass and ceramic items**
  These are **shipped at your own risk** due to their fragile nature.
- **Products containing lithium-ion batteries**
  Will be **packaged separately** in compliance with airline regulations.

Important Notes

- Savo Store **reserves the right to package items** in line with the laws and regulations of the **country of export, transit (if any), and import**.
- We **may refuse to ship** any product or shipment at our sole discretion.
- There are **differences between prohibited items under our Buy and Ship and Shipping Only services**. Some items may be eligible for shipment **through Buy and Ship only** under specific conditions.

If you're unsure whether your item can be shipped, **please contact us directly** before making your purchase or sending your package.
